Comments in Support of Notice of Proposed Rule Making

Lansing Community College, by its counsel and pursuant to Sections 1.415 and 1.420 of the Commission's Rules, hereby submits its Comments in response to the above-captioned Notice of Proposed Rule Making.

Discussion

On November 21, 2003, Lansing Community College filed a Petition for Rule Making, which proposed that Channel 279A at Hubbardston, Michigan, be reserved for noncommercial education use. Living Proof, Inc. also filed a proposal that the channel be reserved. On April 4, 2004, the Audio Division of the Media Bureau invited comments on the reservation proposals by June 7, 2004. *In re Amendment of Section 73.202(b), Table of Allotments, FM Broadcast Stations*, DA 04-963 (released April 14, 2004).

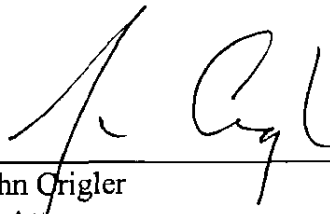

The purpose of these Comments is to express the continuing support of Lansing Community College for the reservation of Channel 279A. If the Channel 279A at Hubbardston is reserved for noncommercial use, Lansing Community College intends to apply for the channel.

Accordingly, Lansing Community College requests that Channel 279A at Hubbardston, Michigan be reserved for noncommercial educational use.

Respectfully submitted
